

Virtual Student Testing Procedures for Proctored Assessments on Ninth Grade Campus

If students are not able to take a test through Proctorio at home, they have the option of taking their tests on campus on their regular test day.

Option 1: Student can come to their regular class period on test day with the teacher. Please email your teacher prior to the test day, at least 48 hours in advance, so they can have an in-class test prepared for you.

Option 2: Student can take their test on a chrome book in the SCOTS lab located in the Library at senior campus and will use the Sign-up link below to schedule their test, at least 48 hours in advance.

Option 3: Student can take their test on a chrome book after school in a proctored classroom setting and will use the Sign-up link below to schedule their test, at least 48 hours in advance. After school testing will be located in the SCOTS classroom, 212.

Note: All students must take their tests on their assigned test day.

When filling out the information on the Sign-up genius link, please include the following information in the My Comment section (See blue arrow below):

1. Course Name
2. Course Period
3. Teacher Name

Note: This sign up is only for 9th grade students that will be testing on the ninth grade campus.
